

# Stantec is action sports

Skateparks & Wheel Friendly Plazas

**19,000**

The square footage of under-utilized, downtown space we transformed into a wheel-friendly skate plaza in Poplar Bluff, MO. The skate plaza now helps keep young people active and counteracts negative stereotypes of the skating culture, and has become a healthy gathering place for community.

# We live outside the box

Action sports are all about freedom and passion expressed through movement, speed, and skill. Our action sport pros – turned designers feel that passion first-hand and work to infuse the thrill of being an athlete into all of their designs.

Our team holds the largest, most notable portfolio of skate, bike, and motocross parks worldwide. Because our designers live outside of the box, they're adept at creating functional, site-integrated, and visually spectacular spaces that give a cohesive sense of place, become a source of community pride, and leave your heart pumping.

The Lynch Family Skatepark  
Cambridge, MA

Lindo Lake Skatepark  
Lakeside, CA

Encinitas Community Park Skate Plaza  
Encinitas, CA

Alga Norte Community Skatepark  
Carlsbad, CA

Skateboard/BMX Park  
Corning, CA

# Experience the rush and excitement with us

Our staff has successfully worked on over 200 action sport projects using a refined community consensus process. Connection and collaboration are our culture. We understand how to bring different teams together, and we relish the opportunity to transform challenging assignments into breakthrough work for our clients.

## Our design services

- Feasibility studies
- Master planning
- Site selection
- Community consensus
- Design simulation
- Branding & identity
- Revenue generation programs
- Site & environmental permitting
- Design documentation
- Bidding services
- Construction administration
- Project closeout & commissioning

# Meet our action sport design team

Our team brings more to the table than experienced landscape architects and engineers—we're also athletes ourselves. We have the largest team of professional skateboarders-turned-designers in the US and we turn our passion into practice with every action sport project.

**28**

The combined number of years of experience Andy has been involved with action sports as a professional skateboarder and a civil engineer.

**31**

The number of states throughout 10 countries that Colby Carter has completed 200+ projects for.

## Design with community in mind

We're active members of the communities we serve. That's why at Stantec, we always *design with community in mind*.

We collaborate across disciplines and industries to bring buildings, energy and resource, environmental, and infrastructure projects to life. Our work—engineering, architecture, interior design, landscape architecture, surveying, environmental sciences, project management, and project economics, from initial project concept and planning through design, construction, and commissioning—begins at the intersection of **community, creativity, and client relationships**.

Our local strength, knowledge, and relationships, coupled with our world-class expertise, have allowed us to go anywhere to meet our clients' needs in more creative and personalized ways. With a long-term commitment to the people and places we serve, Stantec has the unique ability to connect to projects on a personal level and **advance the quality of life in communities** across the globe. Stantec trades on the TSX and the NYSE under the symbol STN. Visit us at [stantec.com](http://stantec.com) or find us on social media.
