

# Meet...

**Jade  
Warbrooke**

Project Management &  
Commercial Lead,  
Transportation  
Australia at Stantec

## **Jade's been with Stantec for 2 years...**

She completed the Compass Leadership for Women program whilst on parental leave and recently completed the Leadership Beyond the Theory course. Stantec are committed to supporting people thrive with both their careers and their families.

**Stantec's flexibility has been instrumental in Jade's exponential career growth while also growing her family. She has a five-year-old daughter and a 1 year-old son.**

**"I'm able to continue driving my career whilst being involved in the day-to-day activities of my family."**

“I work with people that truly live Stantec's values – making it a rewarding and fulfilling place to be. I am absolutely empowered to drive my career and grow professionally whilst maintaining a healthy work-life balance.”

# The people, their passion and the positive environment makes Stantec a great place to work.

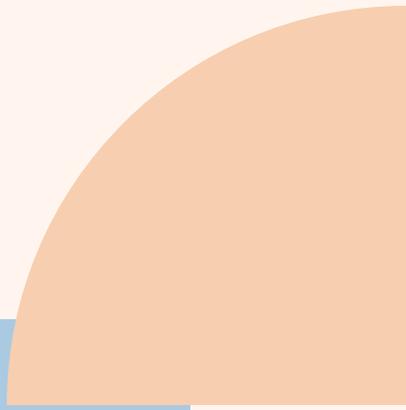

“The success of the people and projects is success for the company. Seeing the company grow and in turn empower the growth of its people really makes it a place you want to work and community you want to be a part of.”

“

**“It’s a positive environment. People are always keen to help and be involved, ready to listen, and very supportive.”**

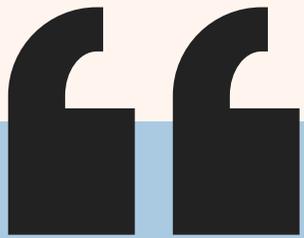

“We put a lot of effort into delivering great projects that positively impacts the communities we live in.”

**“We are many groups of people with various skills and expertise but together as One Stantec, we have a strong presence in the community that is only going to grow.”**

**Jade enjoys the range of projects and variety of clients. Her advice?**

**“Don’t turn down opportunities that challenge and inspire you. Apply yourself 100%, maintain a healthy work–life balance, and have fun.”**

**We asked Jade about the people you'd be joining at Stantec, and she shared,**

"It's people and a culture you could only hope for."
